Dear SoundMan, Just exactly what is the secret to your SoundMan powers? - Batman -

Dear Batman,

Read, ask, look, listen, practice and share. And of course the secret SoundMan fuel – mexican food. Now the SoundMan is no culinary snob. He enjoys the SoundMan staples found in truck stops and motel vending machines lubricated with Red Bull, but when nothing but the best will do you can find the SoundMan at his favorite local mexican restaurant in Greensboro the *Taqueria El Azteca Mexican Grill* on Spring Garden Street. This is no pedestrian Speedy Gonzalez eatery, this is an authentic, made form scratch, 'No Can in Our Mexican, mexican grill. If I may be so bold as to recommend, try the Mole De Pollo – their mole sauce is pure mexican heaven. SoundMan gives *Taqueria El Azteca* his highest five SoundMan rating.

Happy Eating – SoundMan –
